

# Five Chicks and a Mango

Age  
Umri  
3+

A yummy, yellow mango  
is ripe and ready to eat!

One little chick stares at  
the yummy, yellow mango.  
The hungry chick cannot reach it.

Here comes another chick.

Two little chicks climb on the chair.  
They want to reach  
the yummy, yellow mango.  
But the mango is too high.

Here comes another chick.

Three little chicks ask  
a mosquito to knock down  
the yummy, yellow mango.  
Sadly, the mango is too heavy.

Here comes another chick.

Four little chicks  
shake the tree.  
But the branch is too thick  
and the mango doesn't fall.

Here comes yet  
another chick.

Five little chicks sit under a flower,  
trying to figure out how to get  
the yummy, yellow mango to fall.

They think and think,  
then one of them has an idea.  
“Let’s climb on each other,”  
the first chick says.

So the second chick climbs  
on the first!

The third chick climbs  
on the second!

The fourth chick climbs  
on the third!

And the fifth chick climbs  
on the fourth!

They wobble to the right.

They wobble to the left.

The fifth chick  
grabs the mango  
with her beak.

But the yummy,  
yellow mango  
is too heavy.

All five chicks fall down!

Plop!

Plop!

Plop!

The yummy, yellow mango  
lands on the ground!

The chicks giggle and cheer!  
They get their yummy, yellow mango  
and eat it till their tiny tummies are full.
